## Welcome to the Spanish Word-A-Day Photo Album!

...and thanks for supporting Spanish Word-A-Day!  
Now you have a part of Spain on your PC. You will  
see how powerful this learning method is in getting  
you to remember the words because you associate  
them with pictures.

Have fun! Un saludo desde Malaga, Chris

One great way of using this photo album is to go  
through the index and check whether you can  
remember what the words mean before clicking to the  
page to see the picture and the translation!
